## Product descriptions

The ceramic-tiled dining table has a rustic charm that adds warmth to any dining space. The rectangular table top features ceramic tiles in a warm beige color with subtle earthy patterns, reminiscent of traditional pottery. These tiles are tightly assembled, showcasing a slightly uneven texture that enhances the rustic feel. The table is supported by chunky wooden legs with a distressed finish, giving it a vintage appearance. It can accommodate eight people and is ideal for those who appreciate a cozy, farmhouse-style dining experience.
